Dear Dr. Gallagher,

The Kentucky Board of Certification of Wastewater System Operators reviewed your training requests at their June 2009 meeting. The outcome of their reviews is listed below.

Course Title and Date	Wastewater Continuing Education Hours & DCA Event ID Number	Comments
Air Operated Double Diaphragm Pump Seminar 7/8/09 and 7/9/09	6.5 7117	

This course approval will be good for two years from the date of approval. At that time you can request a two year extension of the approval if there are no changes to content or instructors. This request should be made in writing to the Operator Certification Program.

Please submit a roster of attendees to this office within 30 days of completion of the class. The roster should include the operator's name, agency interest number and license number with the hours of continuing education completed for each operator. The roster shall also include the DCA ID. number listed above. In future correspondence regarding this class please reference the DCA ID number listed above. If you have any questions or need additional information, please contact the Division of Compliance Assistance, Operator Certification at (502) 564-0323 or (800) 926-8111.

Sincerely,
Lisa Butler
