

The Kentucky Water and Wastewater Operators Association (KWWOA) is a statewide, nonprofit with 1,500 active and associate members in Kentucky and surrounding states. KWWOA's mission is to enhance Kentucky's water environment by promoting training, education, certification and the exchange of operational and technical information.

Membership is offered to all certified drinking water and wastewater operators, lab analyst, utility employees, retired members and other professionals active in the industry. Member benefits include:

- Low cost membership which provides an avenue to connect with facility operators and vendors, locally and across the state, who may serve as an information resource.
- Access to 120+ hours of free or low cost training each year.
- Low cost Annual Conference that provides a variety of training topics, networking opportunities and access to 80 plus industry related vendors.
- All training is submitted to the Kentucky Boards of Certification. Training hours are reported as earned for operators and lab analysts.
- Scholarship opportunities and support of college level operator training.
- Bi-annual newsletter (H2Outlook) and website (www.kwwoa.org) that serve as valuable information resources/depositories.

If you are involved in the water and wastewater industry, we invite you to become a member of this professional organization created for and governed by operators. Join KWWOA and make a difference!

"Working Together To Preserve The Environment and the Future Of The Water and Wastewater Operator"

P.O. Box 700
Lawrenceburg, KY 40342

To enhance the Kentucky Water Environment through training, education, certification and the exchange of operational and technical information with experienced water quality specialists.
